(Incorporated in Bermuda)

PROFIT WARNING

The Board of Directors of CDW Holding Limited (the “**Company**”) would like to announce that the Company and its subsidiaries (the “**Group**”) are likely to report an operating loss for the first six months period ended 30 June 2018. The expected consolidated operating loss (the “**Loss**”) was primarily caused by fewer orders attributable to inventory adjustment in the gameset division of the Group’s LCD Backlight Units segment and the delay in mass production orders in the Group’s OEM business. Details of the Group’s financial performance including the Loss will be disclosed when the Company finalises and announces its unaudited consolidated financial results for the first six months period ended 30 June 2018.
